## **Section 1: Bureau / Division Reports**

### **Noteworthy Police Work**

We would like to recognize all police and ECC personnel who worked during Tropical Storm Isaias. During the several hours the storm impacted Fairfield, telecommunicators handled over 1,000 telephone calls and dispatched hundreds of calls for service. Telecommunicators had to stay beyond their scheduled shift, as well as come in on their time off. They were required to prioritize the many calls for service and assign field resources as they became available.

Field personnel were required to work outside during adverse and dangerous conditions responding to calls ranging from trees and wires down to EMS calls to wires on fire and motor vehicle accidents. Officers were ordered to hold over and come in early to supplement normal staffing.

All personnel handled themselves in a professional manner to help Fairfield get through this short but high impact event. They continued to assist residents in the days following the storm by manning charging stations, both at police headquarters and by setting up the command post on Black Rock Turnpike, passing out water and assisting utility companies with traffic control while they worked to restore power.

**Retirements**

**Officer Charles Ricco** retired after 30 years of service.

**Officer Thomas Steinke** retired after 27 years of service. He was hired by the Easton Police Department as a patrol officer.

## Promotions

**Lieutenant John Bucherati** was promoted to captain. He was assigned as the commander of the Administrative Services Bureau.

**Sergeant Gregory Gunter** was promoted to lieutenant. He was assigned to the Patrol Division as a shift commander.

*Pictured with Lt. Gunter is his father, retired Lieutenant Richard Gunter and his uncle, Chief Ronald Sullivan, retired.*

**Sergeant Matthew Riendeau** was promoted to lieutenant. He was placed in command of the Investigative Division.

**Officer Kaesmann** was promoted to sergeant. He was assigned to the Patrol Division as a shift supervisor.

**Officer Romaine Chamberlain** was promoted to sergeant. He was assigned to the Patrol Division as a shift supervisor.

**Officer Michael Colwell** was promoted to detective. He was assigned to the Investigative Division.

## Field Services Bureau

**Response to Tropical Storm Isaias on August 4<sup>th</sup> 2020 with over 550 calls for service in one evening shift.**

**20-26083 | 5:28 AM | Vehicle Accident With Injuries | Letsch, M | 03313 Park Av**

Officers responded to a motor vehicle accident with injuries on Park Avenue. Investigation showed a Toyota Camry was traveling at a very high rate of speed north on Park Ave just above Jackman when it crossed into the southbound lanes, lost control went into the air and struck 2 trees before coming to a stop. The operator was located in the back seat and was extricated from the vehicle with non-life-threatening injuries.

**20-26583 | 2:22 PM | Assistance | Newkirchen, L | 00305 Westway Rd**

Officers assisted the family of a teenage resident who was killed in a motor vehicle crash on Block Island.

Jake Panus was riding partially outside the passenger side of a vehicle when he was struck by a telephone pole causing his death and serious injury to a second teen. The 16 year old Fairfield female driver from Mill Hill Rd was charged with several crimes related to his death including DUI

**20-28542 | 4:23 PM | Theft From Motor Vehicle | Wells, K | 00350 Jennings Rd**

After two males were arrested for stealing packages from a home they were released and then were caught entering vehicles at Star Towing. Charged with Burglary 3rd, Criminal Attempt/Larceny 6th, and Criminal Mischief. Both made bail.

**20-29052 | 4:41 PM | Missing Person | Wells, K | 00191 Short Hill La**

On the evening of 8/28/20, ECC received a call that Larry Dunn, brother of Deputy Fire Chief Kyran Dunn, had been missing for seven hours and has Alzheimer's.

Upon receiving the call, Sergeant Wiltsie took command and coordinated a response that demonstrated an in depth knowledge of resources and inter-agency cooperation, including the Fire Department, Eagle 2, CSP K-9, and Officer DeAngelis as a drone pilot.

Officer Wells was the lead investigator, disseminated important, timely information, and coordinated with the bloodhound from CSP Litchfield for the K-9 track in multiple locations. Officer DeAngelis responded to pilot his drone to assist with the search. Officers Gonzalez, Bok, Procaccini, and Gorton also assisted with searching the Lake Mohegan Trails and neighborhood streets. Officer Koukoulas filtered through all of the calls to the front desk reporting possible sightings.

Special Services Sergeant Paris and Officer Letsch immediately offered their assistance with the search, and Sergeant Paris also coordinated with resources from Fairfield and Bridgeport to obtain possible surveillance footage (Fusion Center and Sacred Heart University Public Safety).

Detective Sergeant Vanderheyden responded to the Trumbull Mall with Detectives Nadeau and Buckmir, and were able to obtain surveillance footage establishing that this was Dunn's last known location, as well as his direction of travel from there. Detective Lieutenant Riendeau, with Detectives Vaspasiano and Fucci performed a neighborhood canvas in search of possible sightings or "RING" footage.

Lieutenant Granata and Sergeant Stahl, while off duty, posted pictures and information over social media and coordinated with News 12.

All dispatchers played an important supporting role in gathering and communicating information to and from the public and assisting agencies.

After approximately 9 hours missing, Dunn was found by a friend in Bridgeport in good health other than some mild dehydration, and was transported by AMR for medical attention.

Special thanks to the assisting agencies: Fairfield Fire Department, CT State Police Litchfield, and Eagle 2.

This event showed great examples of strong leadership, knowledge, teamwork, and overall excellence. Fantastic job by all!!

## Special Services Bureau

<i>Traffic Safety Unit</i>	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
<i>Traffic Stops</i>	492	292	99	0	167	113	326	694
